Student Self-Service	Online service where students can print enrollment certificates, obtain student loan info & more at no charge.	<ul style="list-style-type: none"> • Easy to implement (often one day or less) • Integrates seamlessly with your student portal • Reduces student office visits & calls • Provides 24/7 service to students 	Free²
Transcript Ordering	Online application that enables your students & alumni to order transcripts via the Web & provides you with easy-to-use online tools to manage requests.	<ul style="list-style-type: none"> • Enables credit card payments (payment processing handled by the Clearinghouse) • Eliminates data entry, cash handling & consent form collection • Improves service to students & alumni • Decreases cost & increases time savings • Highly customizable 	Free
StudentTracker	Research service that provides continuing collegiate enrollment & degree ⁴ information on your prospective, current & former students.	<ul style="list-style-type: none"> • Tracks college attendance & graduation nationwide • Covers over 91% of all US college students • Includes all types of institutions • Inexpensive, accurate & comprehensive • Provides fast results (usually one week or less) 	Free or Low Annual Fee³

¹ There is no cost to receive electronic transcripts. If you participate in Transcript Ordering, sending transcripts through Electronic Transcript Exchange is free.

² If you participate in DegreeVerify and EnrollmentVerify and refer requestors to the Clearinghouse, you are eligible for free Student Self-Service.

³ If you participate in DegreeVerify and EnrollmentVerify OR report the additional data elements being added to the Clearinghouse database, you will receive 50% off StudentTracker. If you do both, you will receive StudentTracker for free.

⁴ Active DegreeVerify participants receive degree information.

How Clearinghouse Services Work Together

Comprehensive Academic Reporting & Verification

DegreeVerify

DegreeVerify can also be used to generate the graduate report that we send on your behalf to the Dept. of Education.

Core Service

EnrollmentVerify

EnrollmentVerify uses the same enrollment data as Core Service.

StudentTracker is only available to Core participants.

StudentTracker degree data is only available to active DegreeVerify participants.

Educational Research

StudentTracker

Colleges & Universities

Electronic Transcript Exchange

Transcript Ordering

Student Self-Service

Securely exchange electronic transcripts with participating educational organizations, including those ordered using our Transcript Ordering service.

(Electronic Transcript Exchange, a standalone service, is free if you participate in Transcript Ordering.)

Student Self-Service is only available to schools that participate in Core, DegreeVerify & EnrollmentVerify & refer requestors to the Clearinghouse.

Transcript Ordering can be added to Student Self-Service
